

CS-100
Assignment #5, #6
Prof. Blessing

Read the first four modules (Overview section and Projects 1, 2, and 3) from the Quattro Pro 6.0 text and perform the following assignment:

Assignment #5

Due: Tue. January 26, 1999

QP-16: 5 Multiple Choice Problems
QP-40: 10 Multiple Choice & 10 Short Answer Problems
QP-63: 10 Multiple Choice & 10 Short Answer Problems
QP-88: 10 Multiple Choice Problems

Read the next three modules (Projects 4, 5, and 6) from the Quattro Pro 6.0 text and perform the following assignment:

Assignment #6

Due: Tue. February 2, 1999

QP-111: 10 Multiple Choice Problems
QP-137: 10 Multiple Choice Problems
QP-166: 10 Multiple Choice Problems

In addition, there will be a spreadsheet assignment (to be distributed later) that will require each student to design a spreadsheet that performs all the required analysis tasks that would usually be covered by the Short Answer type problems.
