

## **Miller Brewing Company** **Finance Intern – Corporate Purchasing**

What's On tap at Miller Brewing Company?

A fast-paced Purchasing Department with global reach! Miller Brewing Company is the second largest brewer in the United States and is now a part of SABMiller plc, the second largest brewer in the world with 116 breweries in 24 countries and more than 38,000 employees.

Miller Brewing Company is seeking a Finance student, senior level or higher, to intern in the Corporate Purchasing Department. The intern will work closely with the commodity managers and will be primarily responsible for assisting in the development of models for analyzing suppliers' financial performance in key commodity industries (cans, glass, labels, malt, etc.) Using Internet research, company reports and other sources of data, the intern will be expected to provide financial analysis on individual companies as well as industry comparisons across companies. The position will also be expected to provide interpretation of the analysis and recommend actions to the commodity managers.

Miller is looking for a dynamic, results-oriented student. The successful candidate will have completed course work in financial ratios and analysis, demonstrate strong analytical skills, and understand how to read and analyze annual reports, balance sheets and income statements. The candidate must also be adept at creating spreadsheet models and have experience working in a team environment. During the summer, interns will have the opportunity to participate in internal training classes as well.

Our industry is highly competitive and constantly evolving. We're looking for an individual who can make a positive contribution to the financial responsibilities of Miller Brewing Company's Purchasing Department. If you are up for the challenge, please check out our career section at [www.millerbrewing.com](http://www.millerbrewing.com) for more information or to apply for a Summer 2003 Internship with Miller Brewing Company.
